

THE Clothes we sell are never designated by that time honored phrase "as good as" for the simple reason that they are better than any other garments you can find anywhere.

You will find they're designed correctly. Cut with unerring skill. Tailored by men who use their brains with their hands and from woollens of sterling purity.

There is no extravagance in purchasing such clothes at any fair price; certainly not at the prices we quote below:

Hogan stated that frequently Kirkby would request Nye to help defeat some bill.

DEDICATION MAY 28

Dover Lodge No. 129, K. of P. Will Dedicate New Hall—Grand Lodge Officers Will Participate.

(Dover News.)

Thursday, May 28, the new K. of P. Castle Hall will be dedicated as the home of the local lodge.

Grand K. of R. & S. J. W. Carter, of Lexington, will be present to assist in the work, as will also other Grand Officers of the order. Mr. Carter is present engaged in exhibiting the original Rathbone Bible and organizing Rathbone Bible Classes throughout Kentucky, and has the Bible in his keeping while it is in the State.

Rathbone was the founder of the Knights of Pythias order and the bible now in possession of Mr. Carter is the Bible used by him when the first lodge was organized. It is a valued heirloom of the order throughout the country.

It will be a happy day for the local lodge when it gets into its new home, for which the members have worked so faithfully since the fire which licked up their former hall, and which has resulted in the building of a splendid business room as well as a modern hall.

That boy of yours—it seems like yesterday that mother mourned the transition from akirts to trousers—his rocking home will soon give way to the baseball and the pigskin.

He's developing, changing every day, and you haven't had his picture taken in more than a year—yes, it's TWO years last Christmas.

Investors, Notice!

Why shouldn't Maysville have a furniture factory?

Persons who have investigated the proposition tell me there is a steady demand for kitchen safes.

I am offering for sale a plant that is equipped to manufacture same with practically no change in machinery.

Can't Maysvillians buy this plant and convert it into a factory of this sort and help to build up the town.

EXCITING GAME

Taken From Portsmouth By Maysville Yesterday By The Score of 5 to 4.

Despite the cold weather, about one hundred of the old guard went out yesterday and saw Maysville trim Sir Peter Childs' aggregation of ball players by the score of 5 to 4.

Reames, who pitched great ball for the locals at Charleston Sunday, was again sent in and he pitched splendid ball, having only one bad inning, the ninth, when the score was tied. He allowed only eight hits and these were mostly scattered.

Nick Carter made his second effort in two days in trying to defeat the Cubs, but he held the losing end of the string. Carter has plenty of stuff, but the Maysville boys are simply hitting all the pitchers, no matter how good they may be.

With the score tied in the ninth Curtis scored Chapman from second by knocking the ball over Johnny Baggan's head in left field.

The features were the batting of Chapman and Curtis and the fielding of Badel and Baggan.

RIGHT OFF THE BAT.

The Huntington Blue Sox come today for a two-game series. Game called at 3:15 o'clock.

By Maysville winning and by Huntington losing, Maysville yesterday jumped from seventh to sixth place.

Humpy Badel robbed Edwards out of an extra base hit in the first inning by a sensational one-hand catch of his hit to the right garden.

Chapman and Curtis were the hitting kids. Chappy got three hits out of three times up and two sacrifice hits while Curtis got four hits out of four times up and one sacrifice hit.

Johnny Baggan, who plays the left garden for the ex-Champs, looks better than ever this year, notwithstanding he is advancing in years. He made several circus catches yesterday that brought forth applause.

Reames looks about as good as any pitcher that has worked for the locals this season. He uses both the underhand and overhand movement, and, besides being a good pitcher, fields his position remarkably well.

After getting all hawled up in Tuesday's game, Umpire Price wired his resignation to President Read Tuesday night. Brown was sent in yesterday to take his place.
